INFORMED CONSENT FOR PARTICIPATION IN RESEARCH ACTIVITIES

Whom to Contact about this study: Principal lievestigator: Prajit Kumar Das Department: Computer Science and Electri Telephone number: (410) 455-2668

I. <u>PATRODICTION/FURFOSE:</u>
In meting sized to participate in a research study. The purpose of this study is to streamline part of the process of determination of access control policies. I am being sized to avoluntoer because I am a regular everyday user and the much wants to determine if it is feasible to use them as methodologic to explaine any maximary policy. 3dy undversament and as they will be purely when I agrees to participate and will continue until August 2017. About 100 persons will be introlled to participate.

- invaried to participate.

 PROCEURES

 As a participant at this study, I will be asked to carry out the following tasks for the study.

 1. Install the MinthilAC upp from the upp's website @ https://minthilacleatine

 2. Setup the upp by dading up workflow location, my working hours do not disturb hours and if evaluable, choose from a list of Biostocolilla, who are my colleagues and appearation. The information input by use in this gap setup process will never leave my appearance and will remain provide to me.

 3. In the intermediate of the current policy or "failer" violation (which means I agree with the current policy or "failer" violation (which means I agree with the current policy or "failer" violation (which means I agree with the current policy or "failer" violation, with consideration to the policy will either add, delete or modify policy conditions. The changes shalled refer perserved notion of policy conditions, under which the lumch behavior though be allowed in the finance. Modification to policy conditions the changes shalled refer perserved notion of policy conditions, under which the lumch behavior though be allowed in the finance. Modification to policy conditions the delay the one of present policy conditions and the delay the policy of the policy conditions. The administration of the policy will either add, delete or modify policy conditions. The changes shalled refer perserved notion of policy conditions, under which the lumch behavior though be allowed in the finance. Modification to policy conditions the conditions are policy of the conditions. The modification is policy conditions. The changes shall refer perserved notion of policy conditions.
- conditions could be done by generalizing or specializing the commons as manner app.

 6. I will be asked to inbuilt my feedback through the upp by explicitly clicking on the upload button. My participation in this study will last for seven months and will be asked to give feedback at the end of each week through the app. I will not be required occurs to a location as part of this study. The traverye conducted in this study are end of the control of the
